Have a tax problem you haven't been able to resolve with the IRS? The Taxpayer Advocate Service will assist practitioners in person at its upcoming

Problem Solving Day

What: Taxpayer Advocate Service Problem Solving Day at the Mississippi Tax Institute

Where: Hilton on County Line Road in Jackson, MS

When: December 6, 2018 from 9:00 AM to 2:00 PM

Partner: Mississippi Tax Institute

The Taxpayer Advocate Service (TAS) will be available to assist practitioners with clients' tax problems they've been unable to resolve with the IRS. Our goal is to provide personalized, step by step guidance and case building ideas specific to your clients' tax matter. If your clients' tax problem meets our criteria, we'll assign a Case Advocate to work directly with you.

You don't need an appointment. If you bring specific client information, you must have a Power of Attorney (POA) on record with the IRS or bring the POA with you so TAS employees can assist you. If you don't have a POA on file, TAS employees may still be able to assist you with general information.

The Taxpayer Advocate Service is an ***independent*** organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's ***services are free*** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
