

Education Foundation Awards \$49,000 in Scholarships

The Education Foundation of the Mississippi Society of CPAs recently awarded \$49,000 in college scholarships for the Fall 2023 term. Founded in the early 1970s, the Foundation seeks to promote accounting education in Mississippi colleges and universities by helping students pursue a CPA career.

College juniors, seniors, and graduate students representing 9 Mississippi institutions applied for the scholarships, which required submitted essays, transcripts, and resumes. Scholarships worth \$3,000 each were awarded to 16 students and an extra scholarship worth \$1,000 was awarded to the Hamp King Award winner.

This year's scholarship recipients are featured on pages 6 – 8.

Mississippi Individuals & Businesses Eligible for Tax Credit

Your Tax Liability . . . Give it to the Government . . . or Give it to Change Children's Lives.

Your clients can help children without affecting their budgets.

There exists an opportunity for Mississippi business owners and individuals to help provide homes, food, education, and medical care for at-risk children in Mississippi. They are able to do this without changing or increasing their budgeted charitable donations or expenses.

Here is how:

Passed in 2019 by the MS Legislature, the **Children's Promise Act** (MS code §27-7-22.39 & §27-7-22.41) allows business owners to receive a **dollar-for-dollar tax credit of up to half their MS tax liability** by gifting that portion to an Eligible Charitable Organization (ECO) like The Baptist Children's Village. Individuals may receive a tax credit of up to \$3,000 if filing jointly (\$1,500 filing single).

ADVOCACY LEGISLATIVE SPOTLIGHT

SENATE BILL 2077: Charities Audit Threshold

*This bill passed during the 2023 Legislative Session
is significant to members and clients.*

Beginning July 1, 2023, the new filing threshold for audited financial statements has been increased from \$500,000 to \$750,000 for those charitable organizations receiving monetary donations. Entities receiving ONLY nonmonetary donations are no longer subject to the audited financial statement requirements.

On June 1, 2023, the Secretary of State's office issued a press release stating financial statements should be prepared on the cash basis based on their interpretation of the bill. MSCPA immediately took action through our network of Not-For-Profit and Legislation

Committee members, key State leadership, and attorneys.

Subsequently, on July 7, 2023, a clarification was released by the Secretary of State based on an official opinion issued by the Mississippi Attorney General's Office stating that the audited financial statements should be prepared using generally accepted accounting principles as indicated in the Mississippi Regulation of Charitable Solicitations Act.

Special thanks to Ed Jones, Charles Lindsay, and Tony Huffman for their tireless efforts in getting this clarification.
